

**Fauna observed and recorded  
in the Blue Gum High Forest at St Ives**  
including Dalrymple Hay Nature Reserve, Browns Forest,  
100-102 Rosedale Road and Sydney Water land

Raptors

Peregrine Falcon  
Brown Goshawk  
Grey Goshawk  
Collared Sparrowhawk  
Wedge-tailed Eagle

Canopy feeding birds of different sizes

Pacific Baza  
Black-faced Cuckoo-shrike  
Cicada Bird  
Spotted Pardalote  
Rose Robin

Feeds on seed of Casuarina

Glossy Black Cockatoo \*

Feeds on berries etc.

White-headed Pigeon  
Top-knot Pigeon  
Brown Cuckoo Dove  
Satin Bowerbird  
Lewin's Honeyeater

Feeds above canopy on insects during  
daytime

Dollarbird  
Welcome Swallow  
White-throated Needle-tail  
Fork-tailed Swift  
Tree Martin  
Dusky Wood Swallow

Use tree hollow for nesting

Eastern Rosella  
Crimson Rosella  
King Parrot  
Galah  
Little Corella  
Long-billed Corella  
Sulphur-crested Cockatoo  
Rainbow Lorikeet  
Dollarbird  
White-throated Treecreeper  
Laughing Kookaburra  
Pacific Black Duck

Feeds on invertebrates  
on trunks of trees

White-throated Treecreeper

Migrants which visit for  
part of each year

Fan-tailed Cuckoo  
Horsfield's Bronze-Cuckoo  
Shining-bronze-Cuckoo  
Brush Cuckoo  
Pallid Cuckoo  
Koel  
Channel-billed Cuckoo  
Black-faced Monarch  
Leaden Flycatcher  
Silvereye  
Rufous Fantail  
Olive-backed Oriole  
Spangled Drongo

Nomads which visit when trees are in  
flower

Little Lorikeet  
Little Wattlebird  
Noisy Friarbird  
Red Wattlebird  
Yellow-faced Honeyeater  
White-eared Honeyeater  
Yellow-tufted Honeyeater  
White-naped Honeyeater  
White-cheeked Honeyeater  
New Holland Honeyeater  
Scarlet Honeyeater  
Scaly-breasted Lorikeet

Occasional migrants

Double-banded Plover  
White-necked Heron  
Oriental Cuckoo

Feed amongst dense shrubs

White-browed Scrubwren  
Variegated Fairy-wren  
Superb Fairy-wren  
Eastern Whipbird  
Brown Thornbill  
Brush Bronzewing  
Large-billed Scrubwren

Feed at night

Tawny Frogmouth  
Southern Boobook  
Powerful Owl +  
Barking Owl

Feed between ground and canopy  
on invertebrates

Brown Gerygone  
Eastern Yellow Robin  
Eastern Spinebill  
Golden Whistler  
Rufous Whistler  
Grey Fantail  
Jacky Winter  
Sacred Kingfisher  
Grey Shrike-thrush  
Yellow-tailed Black Cockatoo  
Grey Butcherbird

Feeds in open areas

Australian Magpie  
Australian Raven  
Noisy Miner  
Australian Magpie Lark (Pee-wee)  
Willie Wagtail  
Galah  
Masked-lapwing  
Crested Pigeon

Feeds on berries during winter and on  
eggs and nestlings in breeding season
